

Task 4 – First Impressions

This task is in 2 parts. You should work in pairs to prepare these documents. People who have already studied at Trento should pair up with someone who did not graduate at Trento.

PART 1 Write an email to an English speaking friend telling them about your first impressions of the Master's degree and life in Trento. Remember you are writing to a **friend** so you can be as forthright as you like. Please do not worry about the content of your message – any criticisms etc will be of interest and definitely not be held against you (all constructive criticism is welcome 😊) **NO WORD LIMIT**

PART 2 You have been asked for feedback on your first impressions of the MEIS and life at Trento. Write an email addressed to the coordinator of the MEIS, Prof. Nino Ali, outlining which things might be improved and also highlighting which things created a positive impression. **DO NOT SEND THE MESSAGE TO PROF ALI'** but put all three messages in the same document and send them to me. **THIS SHOULD BE MAX 350 WORDS**

Send your two texts to me, clearly stating both your names, by Thursday 24 October.
