

Task 7 – Bianchi Review - editing

Below you will find a list of all the group representatives. By **Wednesday 20th November**, you should send each group the edited version of their reviews – i.e. version where you have made editing suggestions (regarding logical progression, cohesion and coherence etc)
Your comments/suggestions should help the authors to rewrite their reviews in a more coherent way.

You should receive three sets of feedback/comments on your own review which should help you edit and rewrite (if necessary) your first draft.
I would like you to send me the final draft by noon Thursday 28 November.
